GENERAL PROVISIONS

These general conditions of sale ("General Conditions of Sale") apply to any Contracts (as hereunder defined) executed between OMAL S.p.A. SB ("OMAL") and its clients ("Clients" and, individually, "Client"), being an integral and essential part hereof, save as otherwise agreed between the Parties.

The terms with capital letters herein shall have the meaning as hereunder specified:

(i) "Contract" means the purchase by the Client of the Products and Services, as accepted and confirmed by OMAL (by sending order confirmation), including the General Conditions of Sale, save as otherwise agreed between the Parties;

(ii) "Business Day" means any day when the banks are open for the ordinary activity in Italy;

(iii) "Parties" means, collectively, the Client and OMAL;

(iv) "Products" means (x) products manufactured by OMAL, (y) products manufactured by OMAL assembled with products manufactured by third parties, (z) products manufactured by third parties sold by OMAL and the related services (commissioning tests, inspections, technical documentation, after-sales assistance provided by OMAL directly or through third parties).

The characteristics and performances of OMAL Products are shown in the general catalogue of OMAL products, as updated from time to time, available at www.omal.it or in the offer eventually sent by OMAL to the Client and/or in the technical documentation eventually provided by OMAL in compliance with clause 9.1 of these General Conditions of Sale. The characteristics and the performances set out in the abovementioned documentation refer to any single Products and can be modified by OMAL due to the Product configuration requirements as detailed by the Client in the Contract.

To the extent specified in the Contract, the Products shall be accompanied by a declaration of conformity with the purchase order or with the control document in accordance with the rule EN 10204.

1. THE CONTRACT

1.1 The orders shall be in writing and confirmed in writing by OMAL. Unless otherwise agreed in writing by the Parties, the conclusion of the Contract implies automatically the application of these General Conditions of Sale. Therefore, save for any different written arrangement of the Parties, no other/further terms or conditions in respect to those set out in these General Conditions of Sale and in any Contract (included, without limitation, any terms and conditions of the Client) shall be binding for OMAL.

1.2 OMAL reserves the right to modify and/or amend these General Conditions of Sale at any time. Any amendments of the General Conditions of Sale shall apply to those Contracts that will be executed by the Parties after the change of the General Conditions of Sale.

1.3 The minimum amount for each order is of Euro 500,00 (five hundred and zero cents). OMAL shall not accept orders with a lower amount, save as otherwise agreed in writing by the Parties.

1.4 The Client shall have the right to withdraw from the Contract within two business days from the receipt of the order confirmation sent by OMAL; if, after the expiry of this term, the Client withdraws from the Contract and / or refuses to perform its obligations thereof, the Client shall pay the total amount of the supply under the relevant Contract, without prejudice of any compensation for damages.

1.5 The conditions referred to in the two previous paragraphs shall not apply in relation to contracts stipulated through e-commerce.

2. DELIVERY

2.1 Unless otherwise agreed in writing by the Parties, the delivery of the Products shall be FCA OMAL RODENGO SAIANO (BS) – INCOTERMS® 2020. Accordingly, the delivery of the Products shall be deemed to occur concurrently with the putting at disposal of the Products to the Client, or to the carrier designated by the Client, at the OMAL's offices in Rodengo Saiano (BS) or at the different place eventually agreed in writing by the Parties. As a result of the Product delivery, all risks relating to the Products are transferred to the Client.

2.2 The time for delivery shall be set out in the Contract and intended as merely indicative. In case of FCA OMAL RODENGO SAIANO (BS) delivery, unless otherwise agreed in writing between the Parties, the delivery date reported refers to the date of preparation of the Products at the place referred to in clause 2.1. Without prejudice of the non-bindingness of the delivery terms, compliance with the same shall be subject to any eventual confirmations or approvals by the Client and to any other conditions provided in the Contract.

2.3 If the delivery is prevented due to any facts attributable to the Client, the delivery shall be deemed to occur, for all purposes herein, by a simple written notice to the Client that the Products are available at the place agreed in the Contract, and OMAL shall have no liability in relation to the Products. From the date of the aforementioned notice, the warehouse expenses will be charged to the Client.

2.4 The Client shall in any case bear any and all risks for the travel of the Products sold by FCA OMAL RODENGO SAIANO (BS): any losses, delays or damages occurring after the delivery according to the provisions of clause 2.1 shall not be attributable to OMAL.

3. PRICE- PAYMENTS

3.1 The price of the Products shall be set out in the offer and in the order confirmation.

3.2 [Unless otherwise agreed in writing, payment shall be made within 3 days after receipt of the order confirmation by OMAL.

3.3 Without prejudice of the provisions in clause 3.4, in the event of lack of payment or partial payment of the Product price as due, OMAL will apply financing charges in compliance with the legal rate, starting from the due date up to the actual payment date.

3.4 It is understood that in case of failure to pay or partial payment of the price within the Contract terms, OMAL shall be entitled to suspend the delivery until full payment of the amount due. OMAL shall also have the right to terminate the Contract with immediate effect if the payment delay lasts for more than 30 days from its due date.

3.5 For sales with progressive deliveries and for multiple supplies to a Client, the Client's failure to pay in respect to an invoice authorizes OMAL to suspend the supplies not executed until the expected payment occurs and to terminate, at its discretion, the relevant Contract according to clause 3.4.

3.6 The price of the Products does not include the consideration for the performance, by OMAL, of any maintenance services on the Products (if requested in writing by the Client and being outside the scope of the guarantee under clause 4): if the Contract provides that OMAL performs the above services for the Client, the Products concerned must be prepared in advance by the Client by emptying the intercepted fluids or providing the supply and surface cleaning.

3.7 In no case (e.g., disputes between the Parties, force majeure event), the Client shall be considered exempted from the obligation to pay to OMAL the amounts due pursuant to the Contract.

3.8 In relation to purchases made through e-commerce, notwithstanding points 3.1 and 3.2 of this article, the sale price is that indicated on the website and payments must be made by credit card, or according to the other methods indicated on the purchase platform.

4. WARRANTY

4.1 OMAL guarantees the “conformity of the Products supplied” to the extent that they correspond to the requirements set out in the Contract in terms of quality and type and that they are free from defects in respect to material and / or manufacturing which can render the Products unsuitable for the use they are intended, according to the performance characteristics contractually agreed.

4.2 The warranty covers exclusively (x) Products with OMAL brand, entirely manufactured by OMAL and (y) components entirely manufactured by OMAL that form part of a Product assembled by OMAL, including also components manufactured by third parties.

4.3 The warranty operates for a period of 12 months following the installation, with a maximum period of 18 months after delivery. The Client must report to OMAL any defects (regarding the material or the manufacturing) no later than 8 days from the date of delivery of the Products, subject to forfeiture, or no later than 8 days from the discovery, in case of defects not immediately recognizable. Any claim for defects must be made in writing.

4.4 After having requested and obtained the express authorization from the OMAL Sales Office, any Products, components or materials subject to claim for defects must be sent, free of any transport and packing costs, to OMAL S.p.A. SB, Via Ponte Nuovo, 11 - 25050 RODENGO SAIANO (BS) ITALY. The assessment of the alleged defects and the related causes will be carried out by OMAL.

4.5 Without prejudice to the provisions of clause 4.1, the warranty shall not apply if the unconformities claimed pursuant to this clause 4 do not derive from an original unconformity of the material or manufacturing but from manumission or damage during the transport (if the transport is under the Client's responsibility under the Contract), or from the installation, from the use of the Product (not in accordance with the indications and prescriptions in the documentation provided by OMAL and / or with the indications of OMAL) and from the maintenance carried out by the Client (lack of or irregular maintenance in contrast with the manuals and the instructions for use). This warranty also does not apply if the claimed Product has been dismantled or interventions have been executed on it, resulting in a modification of the original characteristics and/or of functional requirements and / or preventing the Product identification (eg, cancellation of marking, wrong code).

4.6 If, in derogation of clause 3.2, it is contractually agreed that the payment shall be made at a later time after delivery, no claim will be taken into consideration in case of lack of payment in respect to the Products. It is expressly excluded any liability of OMAL in case of installation, commissioning and use of the Products by the Client.

4.7 This warranty excludes any further liability of OMAL, both contractual and non-contractual, without prejudice to the limits established by law. The Client cannot therefore make any claim for compensation against OMAL (e.g. loss of profit, production stoppage, campaigns for retreat, compensation for personal injury or damage to property, etc.) in case of any defects of Products.

4.8 Unless otherwise agreed, the supply of components and / or spare parts by OMAL does not imply an extension of the duration of this warranty or the application of the same to these components and / or spare parts.

5. FORCE MAJEURE

Each of the Parties is entitled to suspend the performance of its obligations pursuant to the Contract if such performance results impossible or unreasonably burdensome due to the occurrence of force majeure circumstances, to be intended as extraordinary, unforeseeable and beyond the control of the

affected Party (eg, wars, riots, acts of terrorism, etc.). The above provision does not apply to any payment obligations assumed by the Client pursuant to the Contract, which performance cannot be suspended in any way.

6. RETURN OF PRODUCTS

6.1 For the purpose of the return of the Products, the Client shall give prior written notice to OMAL, by sending the appropriate Form with all fields completed (type of product, quantity, purchase date or installation date, details of the operating conditions ...). Return of Products shall not be accepted without prior written authorization of OMAL's Sales Office. The returned Products shall remain in the Client's property until OMAL accepts them, upon receipt at its offices in Rodengo Saiano (BS). The returned Products shall be sent with a packaging that guarantees adequate protection during transport until delivery to the aforementioned offices. Returned Products shall be considered accepted to the extent specified in the prior authorization by OMAL: any variation in the quantities or characteristics of the Products subject to return will need an update/integration of the OMAL's authorization previously issued.

OMAL reserves the right to not accept the Products returned without the prior written authorization of its Sales Office and / or without the conditions indicated in the authorization. As for the return, OMAL undertakes to refund the Client an amount equal to the total purchase price of the Products, reduced by a percentage that will vary from 30% to 50% based on the date of the conclusion of the purchase. A further reduction shall be applied if any restoration, painting, packaging replacement or similar operations are necessary.

Products returned for maintenance must be prepared in advance by the Client, by draining the intercepted fluids or the control fluids and cleaning the surfaces.

7. LIMITATIONS OF OMAL'S LIABILITY

7.1 OMAL's liability vis-à-vis the Client shall be limited to the guarantee referred to in clause 4 above, with the exclusion (as already indicated therein) of any further compensation obligation, save for the mandatory provisions of the law. The Products (including components) sold by OMAL but not produced by OMAL will be sold to the Client only with the manufacturer's guarantees.

7.2 OMAL's liability vis-à-vis the Client pursuant to the Contract shall not exceed in any case the Contract value.

7.3 If the Client resales the Products purchased from OMAL or places on the market any machinery or equipment where the Products purchased from OMAL are integrated, granting in turn to its customers wider warranty terms than the warranty under the Contract, the liability of OMAL in relation to the abovementioned Products (resold or integrated) will be limited to the warranty provided by OMAL under the Contract, while the Client will assume any wider warranty obligations.

8. OFFERS

Unless otherwise agreed in writing, any commercial offers made by OMAL shall be valid for a term of 30 days.

The ownership of any drawings, material standards / treatments and, more generally, the technical documentation and any other document delivered to the Client remains exclusively with OMAL. These documents cannot be used for purposes other than those indicated by OMAL, nor transmitted or made accessible to third parties, except with the prior written authorization of OMAL.

9.2 The supply of components and / or spare parts by OMAL and / or the carrying out of maintenance interventions by the Client or by the user do not entail the automatic validity of the control documents, test reports, certificates and in general of the technical documentation provided by OMAL and of the marking applied by OMAL on the Products.

10. INSPECTION AND TESTING

10.1 The Products will be inspected and subjected to standard tests by OMAL.

10.2 Any additional testing and / or inspection (inspection by the Client or by a representative or additional tests in the presence of the Client or of a representative) and the supply of the relative inspection and / or testing certificates are subject to express agreement between the Parties and the relative costs shall be paid by the Client. In such cases, OMAL shall communicate to the Client, with at least 7 days' notice, that the Products are ready for additional testing or inspection, indicating the timing for the execution of the additional testing / inspection. If the Client or its representative fails to take part in these additional tests or inspections on the date indicated by OMAL, the relevant tests/inspections shall be performed directly by OMAL (also in the absence of the Client or of the representative) and shall be deemed carried out in the presence of the Client or of the representative; the declaration by OMAL certifying that the Products have passed the test and / or inspection will be final and binding to the Parties.

11. PRIVACY POLICY
